WHILE ON CAMPUS

REUNION ATTIRE
The HAA's general attire guideline for Reunions during the daytime is “casual and comfortable.” You should also bear in mind the vagaries of New England weather and bring sweaters, sweatshirts, windbreakers, and rain gear, especially an umbrella. Business casual to business dress is recommended for the Memorial Service and evening events. For our Wednesday and Thursday dinners, please wear whatever you’d wear to a festive cocktail party. We hope the time together is fun, but make sure you’ve broken in your dancing shoes!

CAMPUS INFORMATION
Much information can be found on the General Information page on the Harvard Alumni Reunions 2022 website, including medical services, lost and found, museum access, and Wi-Fi information.

If you have questions while on campus, please find a Harvard staff member wearing a staff shirt and they will be able to assist you. Staff will be present at headquarters and all reunion events.

PARKING
10 Everett Street Garage
Complimentary parking for reunion attendees will be available at the 10 Everett Street Garage (MAP), 10 Everett Street, Cambridge, Massachusetts 02138, located beneath Wasserstein Hall at Harvard Law School. When you arrive, please identify yourself as a reunion attendee. Park your car, gather your bags, and head to Cabot Science Library for check-in.

UNIVERSITY HOUSING
If you opted for University housing, your registration package includes a room key for access to your room and an electronic card for access to the building for each member of your party. For security purposes, please keep keys and access cards with you and lock your room at all times. Note that in some of the halls, doors may not lock automatically and must be locked with a key; please be sure to check your doors on the way out. If you require assistance getting your baggage from the parking lot to the registration desk, please don’t hesitate to call headquarters at the numbers listed above.
TICKETS AND NAME BADGES

The HAA is using an electronic check-in and registration process at 2022 Reunions. This program will eliminate the need for paper tickets at events. Numerous staff members will be on site to register and check in alumni and guests at all “ticketed” reunion events. Note that reunion name badges will provide access to the Harvard attractions listed at the end of this program guide.

WALK-IN REGISTRATION

Those who have not already registered may still attend. Although the online registration process has concluded, they can register in person in the Science Center or the event locations directly on a walk-in basis.

MASKING WHILE ON CAMPUS

Our meals will have outdoor access and compostable to-go containers will be provided so that concerned classmates can access outdoor space to eat and return to the events fully masked. For Thursday afternoon’s Memorial Service in particular, we ask that those who wish to participate wear masks while inside the Church. Sanders Theatre, where a majority of 50th Reunion programming is taking place, also highly encourages the use of masks within.

The University’s COVID-19 Task Force highly encourages masking on campus and is continuing to closely monitor the situation. We will be following their advice; updates are available at harvard.edu/coronavirus/updates-community-messages.
